Free Courses? Tell me the truth. How much does the registration to the Gnosis Course cost?

Our on- line Gnosis Courses are completely free. It's not required any kind of contribution, neither to start the course nor to finish it, but being interested in participating actively.

Ok, it is free, but.... How can I take part of it? Is there any kind of requirement?

The only requirement is having an e-mail account, so you can receive a Gnosis lecture every week.

To sign up, follow the next steps:

1. Visit the web page www.anael.org/english/course
2. Once at the web page, you must fill in the box bellow with your e-mail address, and then click on the "Send" button.

3. Once you have clicked on the "send" button, you should receive an e-mail with the following details:
 - Sender: "Team Domeus".
 - Subject: "REPLY REQUIRED: Confirm subscription to group Course in Selfknowledge-Gnosis".

4. Open the e-mail and follow the instructions that are contained in this. Usually, it is just a matter of clicking on a "subscribe" link included in the e-mail, or replying the message.
5. Finally, if everything has been done correctly, you should receive a second email, a welcome message. The details of the e-mail are.
 - Sender: "Team Domeus".
 - Subject: "Welcome to the group Course in Self-knowledge - Gnosis".

IMPORTANT: These emails are usually received in a few minutes, but it might take longer. Please do not worry if you don't receive them immediately.

Is there any other way to sign up?

Yes, there is another way to sign up, but the confirmation steps are always the same. To sign up using a second method, follow the next steps.

1. Send a blank e-mail (with no body) to the e-mail address gnosis92-subscribe@domeus.co.uk
2. Repeat the steps from c to e, explained above in the previous question.

I have followed all the instructions correctly, but I haven't received the confirmation e-mail, what should I do?

More than likely, you have had a spelling mistake with your e-mail address during the signing process. If that is the case, we suggest that you verify and try again.

No. There is no mistake with the e-mail, I already verified it. What could it be?

It is possible that you had signed up before in our Gnosis Course and now you don't remember. In such a case, Domeus won't send you any e-mail, because you are already part of the Gnosis group.

To confirm that you really are part of the group, please send us a blank e-mail to anaelcenter@gmail.com with the subject "Confirm". We will verify whether your e-mail is in the data base or not.

This seems very complicated.... Why so many steps?

Actually, the process is very simple. It is just necessary the confirmation of the user to avoid the abuse of a third party, which indiscriminately could make you sign up without your consent. Our courses are free, but the participation is completely voluntary.

What is Domeus? Why so much advertising?

Domeus, is the largest bulletin sender or distribution lists community of Europe. Actually, we count on its logistic support to deliver our Gnosis lectures around the world; in exchange, we allow them to include a banner at the end of each lecture. Because of this, when you are signing up it could also appear a web page in which different products are offered.

Who made the course, Domeus or the Anael Gnostic Centre?

The Gnosis course is prepared and taught by the director of the Anael Gnostic Centre; in the lectures, you can find the result of many years of experience and study of the greatest books of Master Samael Aun Weor, founder of contemporary Gnosticism.

Ok, I signed up, I received the welcome e-mail, but where are the lectures? How can I start studying?

The Gnosis courses start on the first 15 days of every month. If you have already signed up, we ask you to be patient and wait until the course starts; in the mean time, you can study all the content of our web page www.anael.org/english

Once the course starts, you will receive a lecture every week. There will be lectures in which you may be asked to make some kind of practice and to send the results. According to your participation, you will be taken into account for continuing in an advanced Gnosis course.

Well, what if I don't like the lectures, is it difficult to cancel the registration?

You can cancel your registration automatically any time. At the end of each lecture, Domeus include an unsubscribe link. It is usually something ilke "If you wish to unsubscribe from this group [click here](#)". As you can see, it is just a matter of a click

But I don't have any lecture. Is there any other way to cancel the registration?

Yes. You can also cancel by sending a blank e-mail from your associated email to gnosis92-unsubscribe@domeus.co.uk

The course has been very interesting, but I've lost some of the lectures. What should I do?

Request any missing lecture to the email anaelcenter@gmail.com We recommend that you print each lecture so you can study it and take more advantage of it by putting it into practice.

I have a new e-mail. How should I do to keep on receiving the lectures?

You should let us know about your new address by sending an e-mail to anaelcenter@gmail.com

The e-mail must contain this information:

- Last lecture received and the date you received it.
- Your old e-mail.
- Your new e-mail.
